5.2 QUALITY POLICY

The objective of Jewel Blade Ltd.'s Quality Policy is to ensure that all its customers and interested parties are totally satisfied with the standard of the Company's products in terms of quality and service. In order to achieve this objective the Company is committed to operating its Quality Management System in accordance with the requirements of the Quality Standard BS EN ISO 9001:2015 - Quality Management Systems Requirements.

The Company recognises that the success of this policy, and of the business, depends upon the commitment and support of all its staff and through its Management commitment to provide adequate resources to meet its objectives effectively and to minimise cost and wastage. The Quality Manual and its associated Quality Procedures and Works Instructions are mandatory and binding on all Company employees and must be strictly adhered to.

The Company is committed in striving to continuously improve upon the products and services provided to its clients through maintaining awareness of customer requirements and concerns, as well as applicable statutory and regulatory requirements, providing adequately trained and competent staff and a yearly review of the Quality Policy and the Quality Management System to ensure that they remain effective and in line with the stated objectives of the business.

The Directors, General Manager, Departmental Managers and Supervisors are assisted by the Internal Quality Auditors in maintaining the effectiveness and for continual improvement of the Company's Quality Management System.
